

Do You Have Hearing Loss?

Ask yourself these questions!

	YES	NO
Do I have difficulty hearing people talk in noisy environments such as a restaurant?		
Do people seem to “mumble” all the time?		
Do people tell me that I have the TV on too loud?		
Are others often forced to repeat themselves when speaking with me?		
Do I have trouble hearing people when they are not facing me or are in another room?		
I feel embarrassed when I answer a question incorrectly because I didn’t hear the conversation?		
Do I give up trying to hear the conversation and just smile, nod and laugh with others?		
Do I feel overwhelmed by large, noisy gatherings? I’d rather stay at home		
Would I rather stay home alone than be with others in a noisy setting?		
Do I have trouble communicating children, because I can’t understand them?		
Do I hear ringing, buzzing, or hissing sounds in my ears?		

If you answered YES to 3, or more, of the questions above, you should have your hearing tested...
